

LEGIONS CON

NOV. 8-9, 2025 - COMMUNITY SHOWROOM FLOORPLAN

THE FOLLOWING EXHIBITORS WILL BE SET UP IN THE HALLWAYS OUTSIDE OF THE MAIN ROOMS

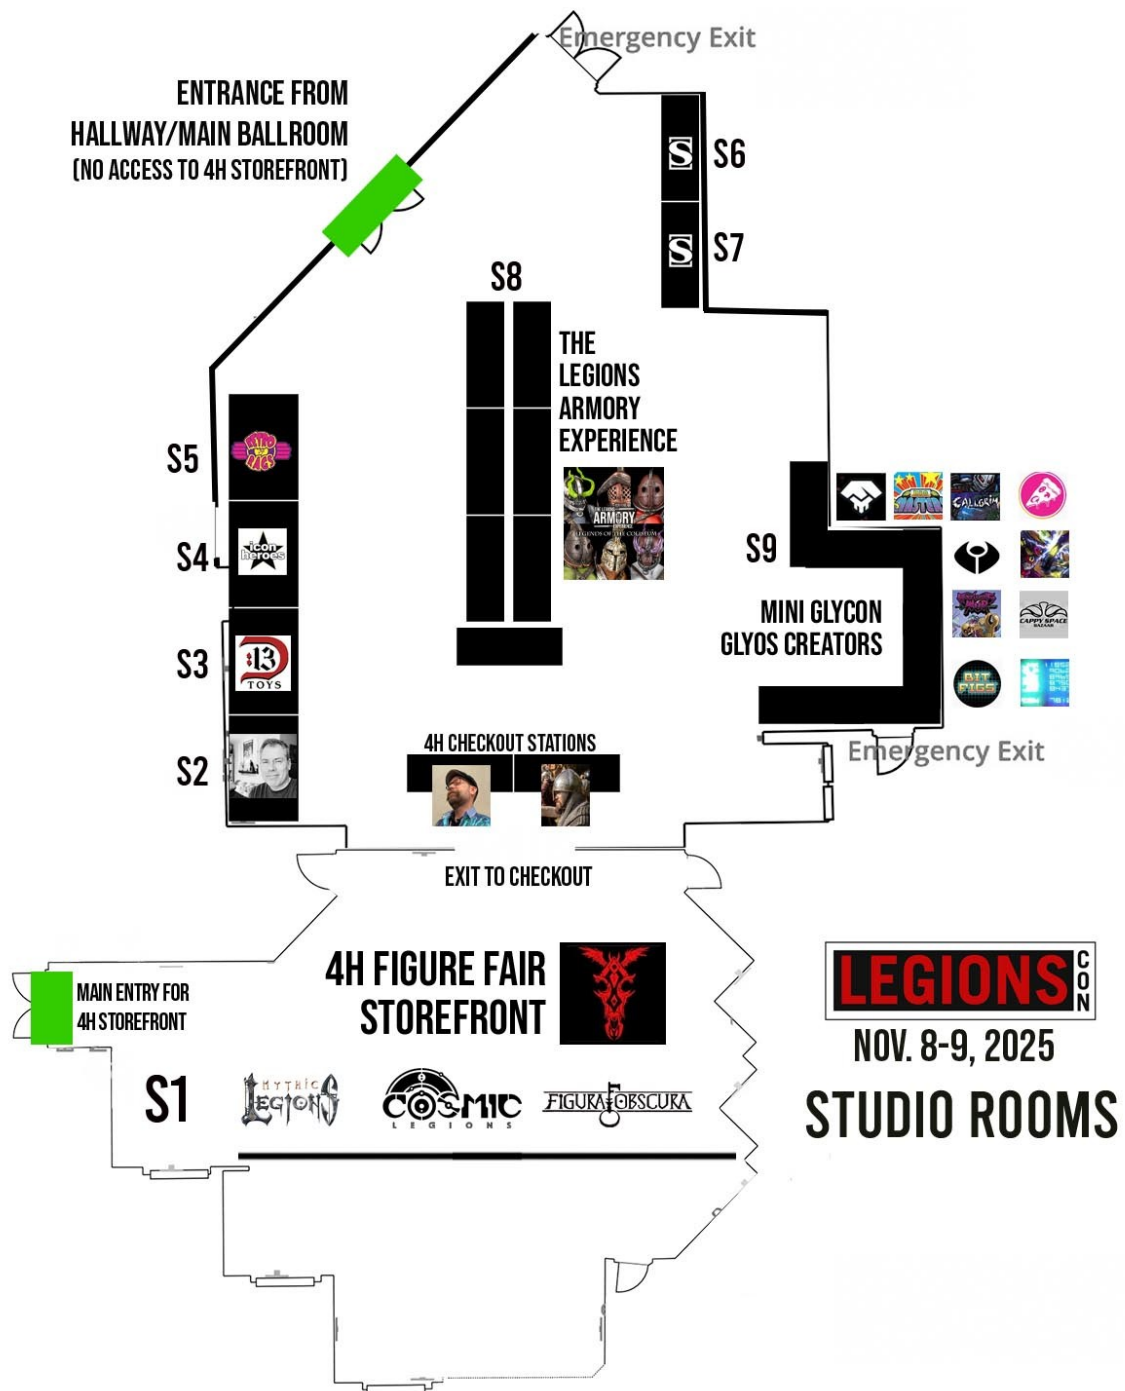

Notes:

This map shows the main ballroom for LegionsCon 2025. This is the Community Room, featuring the bulk of the exhibitors for this event including many of the artists and creators from our community and a number of toy companies as part of our "Independent Toy Creator Showcase".

There will also be a handful of exhibitors set up in the hallways outside of the main rooms. These are listed at the bottom of the above map. Exact placement in the hallways will be determined at the show.

Doors open each day at 9am. The Community Room closes at 6pm on Saturday (11/8) and 5pm on Sunday (11/9) - and then the nighttime hangouts begin! Outside of the main ballroom is a large private space where everyone will be gathered. There is also the main lobby, Irish pub, and outside seating area where attendees are free to gather. Additionally, there will be various "after hours" events happening in the hotel. See full schedule for more info.

Notes:

This map shows the “Studio Rooms”. There will be a line in the hallway to enter the “4H Figure Fair Storefront”. Once you select your items for purchase, you will exit the room to the checkout stations where you can also see the rest of the exhibitors in that room, including those connected to the studio and the Glyos makers of Mini Glycon!

To access *only* the exhibitors of the Studio Room, you can also enter via the door across from the main ballroom. That entrance is also where the “Legions Armory Experience” will have a line set up to access that experience.
